Jack,

For a number of years we have been treated as if we were Jews in Nazi Germany in 1938.

WIA and WIA's evil efforts to destroy our multi-million dollar investment in the future of Waterwood accompanied with being shot at, physical assaults and being treated like Jews in Nazi Germany reached a low point today when WIA today, destroyed multiple ancient oaks and pines for no reason except to intimidate our family and destroy the beauty of Waterwood.

Those trees had been donated by our family to our church, which incidentally includes JEWS, and you PROMISED that WIA would respect GODS HOLY TREES AND OVER 100 NATIVE SPECIES.

EITHER YOU LIED TO ME ONCE AGAIN OR YOU WERE LIED TO BY WIA BOARD MEMBERS.

My handicapped wife and I are heart sick by the evil and Satanic destruction of over a dozen healthy and extremely rare old growth trees.

Why? Why would you allow and apparently orchestrate this HATE CRIME against GOD AND HIS HOLY CREATION just to harass and intimidate me and my wife?
